Good Morning Nate...

We have gotten complaints about the pot holes south of In N Out Burger for over a year now. This is just the most recent one. Can we get this location scheduled for some repair?

Thanks.

Hi Don:

Wondering if you can help or point us in the right direction to get this awful pot holes as showing on pictures above, on Sepulveda Blvd. just after In & Out Burger until Lincoln Blvd. repaired.

Not only are the a hazard for drivers they are causing to our Parking Spot busses great damage.

Thank you for anything you may be able to help us.

Sincerely,
